

CityUnit

```
graph BT; GC[GovernmentCommand] -.->|receiver| CU[CityUnit];
```

The diagram illustrates a receiver relationship between two classes. At the top is a white rectangular box labeled 'CityUnit'. At the bottom is a gray rectangular box labeled 'GovernmentCommand'. A dashed purple arrow points from the 'GovernmentCommand' box up to the 'CityUnit' box. To the right of the arrow, the word 'receiver' is written in black text.
